Halos Never Hang

Halos never hang  
From the heads  
Of all these sinners and  
Cynical as I am  
I was never quite beginning to change  
And all you want  
Is to claim you are a victim  
In a war between two parties  
In a battle that will never end

If everybody noticed  
Then how couldn't you  
If I am to die  
I wanna do it with you  
If I have to die  
Then I need you

We should be the one behind the gun  
We could take on anyone you see  
I'll be there  
I'll be the enemy  
Try and stop me if you can  
I'll burn this city  
Down by hand  
Watch it glow  
As night goes on  
Light cigarettes on the ground

If everybody noticed  
Then how couldn't you  
If I am to die  
I wanna do it with you  
If I have to die  
Then I need you  
Shhh

(Anybody else)

If you could just stay  
I could be anybody else

If you could just stay  
I could be anybody else  
If you could just stay  
I could be anybody else  
If you could just stay

If everybody noticed  
Then how couldn't you  
If I am to die  
I wanna do it with you  
If I have to die  
Then I need you
