Never Say Die

She's poison in my veins
Leaking to my brain
And she destroys me
The movement that I do
Is all controlled by you
And you toy
With me now
I've got you
Watching what you
Try and say to me
Every word you speak
I've got plans
Locked up my demands
Whoa

(Monologue)

But I don't wanna go
But I don't wanna go

Never say die
And I wont give you up baby
Never say die
And I'll just walk away, from everything
(Never say die)
I don't wanna go
(Never say die)
I don't wanna go to sleep
Never say die
And I wont give you up baby
Never say die
And I'll just walk away, from everything
(Never say die)
I don't wanna go
(Never say die)
I don't wanna go to sleep

These four walls
Are holding
My head forward

I can't breathe
And what she said to me
Is calm down
Open your heart
Bleed out slowly
I would die for you
It's what I have to do
Don't you forget
Who your fucking with
You broken man
I took your city in the palm of my hand
This is what I built for them
Never say die
And I wont give you up baby
Never say die
And I'll just walk away, from everything
I don't wanna go
I don't wanna go
Never say die
And I wont give you up baby
Never say die
And I'll just walk away, from everything
I don't wanna go
I don't wanna go away
