The Sun Will Rise, As The City Is Razed  
Slow down I think you've had enough  
This stuff is toxic  
And it's pouring through your blood  
Guts spill out from the iron lung  
I've waited way to long to see you standing there  
I know your scared of me  
I know your not prepared  
This is a message a prophecy  
Prepared by the gods  
Are you ready for this now?

We don't want it  
We don't want it  
We don't want it, no  
We don't need it  
We don't need it  
We don't need it, from you

It may be foolish pride  
But I am well aware  
Of all the pain I've caused  
And no I couldn't care  
Yet here I am my arms up in the air  
Oh my god (oh my god)  
Ready on the count of three  
You've got your targets  
Now aim with me  
Shoot, shoot, shoot for dead  
The sun will rise  
As the city is razed

We don't want it  
We don't want it  
We don't want it, no  
We don't need it  
We don't need it  
We don't need it, from you

(This place this time I'm doing it all for me  
I know my crimes will produce the infamy)  
I am breathing but my lungs are getting tired

And the motion they're repeating  
Isn't keeping with the beating of the drums  
If I told you that I didn't do a thing  
All the charges brought against me  
Were just conjured from the barrel of a gun  
They shot him down  
(And it goes to show)  
Will pride comes arrogance  
(Oh oh oh)

No, no  
We don't want it  
No, no  
We don't need it  
No, no  
We don't want it  
No, no  
We don't need it

We don't want it  
We don't want it  
We don't want it, no  
We don't need it  
We don't need it  
We don't need it, from you
