Verse 1:

Mother, she has taught me well.  
& as she told me when I was young.  
"Son, your life's an open book.  
Don't close it until it's done."  
"Life is something to be cherished."  
That's one thing I heard her say.  
The rain puts out the orchid flame.  
So much for the days.

Chorus:

Let my heart go.  
Let our hearts grow.  
Let this time stay still.  
Another day of life.

Verse 2:

My father, he was full of wisdom.  
& never did that change.  
The same way throughout his life.  
Always wrote his page.  
Shining a dream upon me.  
& smiling of truth all night.  
As soon as morning arose.  
& here we hold up tight.

Chorus

Verse 3:

Never had I fought for you.  
But never I didn't brave.  
But still I have those pictures that I taped to your grave.  
But still I have those pictures that I taped to your grave.  
Let this time stay still.

Verse 4:

Rebel, my new last name.  
Wild blood in my veins.  
So hang me from that one string noose.  
All is true of what I say.
