Verse 1:

& now I see the light ahead. (with you)
& now I see all but red. (from you)
I walk the clouds, I walk the seas. (for you)
Create the sky that carries me. (feel you)

Pre:

The love I feel opens me.
Releases hate that keeps me free.
This dust I keep, into my eyes.
& now I feel cut up inside.

AURORA!! AURORA!!

Verse 2:

& now I breathe the open air. (with you)
I put me in the electric chair. (from you)
The wind, it seems, will blow away. (for you)
Forever changing my broken fate. (feel you)

Pre:

This light, too tight for me inside.
I know I never wondered why.
This dented planet, left in tears.
& now I'm left behind in fear.

AURORA!! AURORA!! (kill me)

Chorus:

& when you see my hands held tight.

Please pry them open. (see me)
& when you see me stalk the night.
This world, it's broken. (free me)
& when you lose the sun,
Remind me that I become alive again.

Verse 3:

& now I see the light ahead. (with you)
& now I see all but red (from you)
I twist the dirt, I move the breeze (for you)
& watch the sky that buried me.

AURORA!! AURORA!!

Pre:

I pave the ground that spoke to me.

My ego's the size of trees.

I hold this thron in the afterlife.

So on I'm forever lost in time

AURORA!! AURORA!! (kill me)

Chorus

I become alive again.

I become alive again.
