Verse 1:

Children rule in Hell before their deaths.
Neglected & forced to, to pull their sled.
Brave enough to live for, for what was right.
Never giving up without a fight.
Only they can seize the day.
Before the end of the night.

Chorus:

Oh tell me can you see what your own parents' done.
Got a rope & let you hung.
Can you heel the secret nightmares within?
If you run away, can you find another way.
Daddy pulls out his dreadful gun.
Turned around & shot his son.
Just when it all gets quiet & all scream free.
Put another child, put another child to sleep.

Verse 2:

Die, die kiddo, it's your time.
Innocent sweethearts, they commit no crime.
Abusive parents don't even care.
They're prisoners of death & it's not fair.
So you burn the fire high.
Put the poison in the water.
Children won't even care to die.
The pain nearly stunned her.
