Verse 1:

Just show me your side.
Rise up from the wall we know & she's.
Hung out on vines.
Soon rolls the sea.
Spillin out from her mouth into overflow.
Back into me.

Pre:

She moves & it's fire. (we wonder why)
Speaking insane. (she speaks my name)
We all really want to.
Your the only one who can.

Chorus:

Lives getting younger.
It changed all the dreams that I have.
Here we die again.

Bridge 1:

How could I always choose death over life. [X2]
How could I go straight through the hell. (why?)
Seein' how she's trying to dream.

Verse 2:

Sraight through the sky
She seen as a bright light to anyone.
How low is that.
The weight of the world.
Trailin' out to the last dream discover's me.
Alive & tired.

Pre

Chorus

Bridge 2:

I used to see something through the ashes.
I never want to teach anything new.
I shoot the clouds in the rain. (slowly)

Pre [Verse 1 in background]

Chorus

Bridge 1 [X4]
