Verse 1:

I'm so smothered, there's no other.
It's too hard to find any laughter.
Can you hear me; you're so deceiving.
After I know you, I stop believing.

Chorus 1:

You lock me up inside this cage.
Don't let me out for endless days.
Your silence, you ignore me.
You ignore me way too much.

Verse 2:

It's your violence, it just revives me.
You try to harm me, but do nothing.
I'm protected, but defenseless.
All this pain now, it's relentless.

Chorus 2:

I lie here locked inside this cage.

Begin to bottle up this rage.
Your silence, you neglect me.
I don't reflect you, there's no cure.

Bridge:

Your insults & neglectance.
Make me feel like I'm just so worthless.
There's no reason for this torture.
I'm going to EXPLODE!!!
EXPLODE!!! EXPLODE!!!

Chorus 3:

You've kept me in this hole for years.
Extinguishing my sense of fear.
Your violence gets us nowhere.
Gets us nowhere way too fast.
