Intro:

"I don't want to leave. This place is too peaceful.
With sunny skies & palm trees & white sand.
No wait, that kind of place doesn't exist.
It's all an illusion. I don't want to be here no more!!!!
Get me out, get me out, get me out of here!!!!!"

Verse 1:

Screaming at the top of your lungs.
Illusions ended?, no they've just begun. Illusioned!!!
Pounding at the chamber door.
Need some light to end this torture. Illusioned!!!
Just let me out (X3)

Verse 2:

Hallucinations fill your head.
A few more seconds & then your dead. Illusioned!!!
A vision of a snake around my neck.

A strangling ghost turning violent red. Illusioned!!!
Just let me out (X3)

Bridge:

One more time, you see it.
It's not therer, but you see it.

Verse 3:

Lying at your blatant mind.
Denying your privelage, the noose is tied. Illusioned!!!
Your eyes are twisted, punishment prevail.
Wrath from the lord. you will fail. Illusioned!!!
Just let me out (X3)

Just let me out!!!!!
