Verse 1:

Father, can you hear me now?
I have woke up in this Hell.
Walking blind, down the road.
Looking for a hand to hold.

Pre:

No one understands me.
No one ever will.
I am just a loner,
living my own Hell.

Chorus:

Cut my life short.
Sell my soul ill.
Cut this life short.
Tear apart my will.
As I try to hang myself.

Verse 2:

No one's called me by my name.
They just call me a stray in chains.
The lethal noose around my neck.
These marks still engraved on me.

Pre:

Living like a rebel.
Never taking part.
Silently the pain,
tearing me apart.

Chorus

Verse 3:

Never have I stood up for me.
Never have I cared.
But when I do I plan to
fight them my arms bare.
Never have I stood up for me.
Never have I cared.
But when I do I plan to
fight them my arms bare.

Chorus

Verse 4:

Death is here, my only friend.
Standing by my side.
Find my foes & take revenge.
You can't say it ain't right.

Pre:

Slit my wrists for freedom.
That's what it takes.
The sun will grow dark tomorrow.
So I burry myself in slate.

Chorus

As I try to hang my life.
As I try to hang my life.
