I am all-girl,  
In this boy's world  
But that's okay 'cause  
I don't think of it  
In those terms  
I just give 'em mine  
Don't even think 'em twice  
When it comes to what I do  
I make my moves right  
And even though sometimes  
I may seem kinda shy  
Don't let this impulse  
Let me feel like  
I don't care why

I'm a sweet and sassy girl  
I've got what it  
Takes to change the world  
Holding on to what I believe  
I'm in control of my destiny

I just keep it real  
I always know the deal  
No matter what they say  
It don't affect  
The way I feel  
I see nothing wrong  
With having a little fun  
When I want someone  
Don't hesitate to  
Turn him on  
That's just the way I am  
Most people don't understand  
Secretly they wish they  
Could be just like me

I'm a sweet and sassy girl  
I've got what it takes  
To change the world  
Holding on to what I believe  
I'm in control of my destiny

I'm a sweet and sassy girl  
I've got what it takes  
To change the world  
Holding on to what I believe  
I'm in control of my destiny

Sweet and sassy you see  
No gravity or anybody  
Will hold me back from  
What I truly believe  
There's no stopping me

I'm a sweet and sassy girl  
I've got what it takes  
To change the world  
Holding on to what I believe  
I'm in control of my destiny  
(Repeat to fade)
