Verse 1:

We're walking in the air.
We're floating in the moonlit sky.
The people down below
are sleeping as we fly.

Verse 2:

I hold on very tight.
I'm riding in the midnight moon.
I'm hiding till I die
so high above the view

Verse 3:

I fly onto the moon.

The village has collapsed like me.
The houses & the hills
have sank beneath the seas.

Verse 4:

We're trying to believe.
The spirit will not die.
What happened in the past
may kill us now, but why?
