Verse 1:

Here I am, the iron man.
I never thought this was an evil job.
When a kid, I dreamed of this.
The days when I've played god.

Chorus:

Sometimes I only remember the days when I was god.
Sometimes I only remember when I was young &
stupid.
I didn't like it.
Sometimes I only remember the days when I was god.
Sometimes I only remember when I was young &
stupid.
Just to spite it.

Verse 2:

I have the power, I'm no coward.
I absorb the pain that's considered bliss.
I hold the seas, control the breeze.

This is what reality is.

Chorus

Verse 3:

Of all the gods, I am the god.
Planting seeds of all that's wrong.
From the open void, I shall destroy.
I only love to play my god.
