Ven cubanita de mi alma
Tu m'arobas el alma
Ya no puedo vivir sin ti
Son tus labios de caramelo
Tu boquita del cielo
Me hacen sufrir
Son tus ojos azules
Como las olas del mar si son
Tus pechos que villa miran
Como la palma ni? a no son

Ven...

Es que entre diablos no virgencita
Ni hay campanas ni hay reloj
Vente cubana bonita
La m?s salada que he visto yo

Ven...

Son tus ojos azules
Como la olas del mar si son
Tu cuerpo se ziambrea
Como la ca?a de un pescador

Ven...

Es que entre diablos no virgencita
Ni hay campanas ni hay reloj
Vente cubana bonita
La m?s salada que he visto yo
Siendo t? la m?s bonita
La m?s salada que he visto yo

(Translation)

Come my Cuban sweetheart
You have stolen my heart
I can't live without you any longer
Your sweet lips
And your heavenly mouth

Are torturing me

Your blue eyes, truly
Are like the waves of the sea
And your breasts, little girl
Are more than a palmful

Come...

Between devils, my little virgin
No bells ring, no clocks tick
Come, my beautiful Cuban sweetheart
The most charming thing I've ever seen

Come...

Your blue eyes, truly
Are like the waves of the sea
And your body wriggles
Like a fisherman's rod

Come...

Between devils, my little virgin
No bells ring, no clocks tick
Come, my beautiful Cuban sweetheart
The most charming thing I've ever seen
You are by far the prettiest
The most charming thing I've ever seen
