I Don't Like Playin' Games
I Don't Get Off That Way
My Heart Is Ready to Tell It Like It Is
I Need Somebody Real
Someone Who Makes Me Feel
Like He Was Sent From the Ocean Floor One Kiss
Winning My Love Is Easy Enough
But You Better Listen Up

chorus

Here Is the Recipe
For Bringing You to Me
Start With Devotion and
Honesty and Trust
Throw in Some Tenderness
A Gentle Slow Caress
Pour in Some Passion and Wrap It Up
With All of Your Love

I'll Always do You Right
I'll Keep You Warm At Night
Take You to Heaven and Treat You Like a King
But I Expect the Same
Through Sunshine, Snow, and Rain
I'll Never Settle For Less Than Everything

So If You Dare (Dare)
To Really Care (Care)
If You Wanna Take, Take Me There

chorus

Here Is the Recipe
For Bringing You to Me
Start With Devotion and
Honesty and Trust
Throw in Some Tenderness
A Gentle Slow Caress
Pour in Some Passion and Wrap It Up
With All of Your Love

Something Is There

In the Air
Loading the Star Dust in the Dark
You Hold the Key
To My Dreams (To Myt Dreams)
Know the Way to My Heart

Here Is the Recipe (The Recipe, Yeah)
Start W/ Honesty and Trust (Honesty and Trust)
Throw in Some Tenderness (Just Throw in Some
Tenderness)
Don't Wanna Play W/ Your Heart
