As mociñas de Toutonhe
elas moi ben feitas sonhe;
delghadiñas da cintura
i alegres do corazonhe.

Oliveira ben plantada
sempre parece oliveira;
as mociñas ben casadas
sempre parecen solteiras.

Na cabeza teño pulghas,
no corpo teño piollos;
porque teño moito ghando
querenme come-los ollos

(Translation)

The chicks from Touton
Are really well-shaped
Slim at the hip
And happy at heart

An olive tree well planted
Will always look an olive tree
Happily married chicks
Will always look single

I've got lice in my hair
And fleas on my body
Because I've got lots of cattle
They want to eat my eyes out
