And if your hurting,
I will replace the noise with silence instead,
Flushing out your head.
If you like it violent,
We can play rough and tumble, fall into bed,
And I won't breathe so you can recover.

When your in pieces,
Just follow the echo of my voice, it's okay,
Tune into that frequency.
Don't fight your reflex,
Embrace the instict you can feel your way,
Through the burden we face in the end.

'Cause it breaks my heart,
That we live this way.
I know people need love,
'Cause their people never play the game.
And we talk the talk,
We communicate.
And their people need love,
Those people never play the game.

Pleasure for pleasure,
Is consequence enough for a fall? (?)
I know you love to take the risk.
The past is weakness,
Don't beg the question when the answer is war,
There are moments when I've overcome. (?)

'Cause it breaks my heart,
That we live this way.
I know people need love,
'Cause their people never play the game.
And we talk the talk,
We communicate.
And their people need love,
Those people never play the game.

And it breaks my heart. (x2)

Love.
