He takes your face and positions it to take your mouth
You bite, you bite to excite yourself
He wants the colour of you to wear and feel alive
And you bite, and I'm awake and I'm the slave tonight

You lie, you lie to spare my life
You needed it, he tasted you inside out
So, your joy, your joy is my low
- So you want yourself to stop
So, your joy, your joy is my low
- And when you can't, ?

You shift the play, push the curve to sit between your
thighs
It's a sign, it's time to exercise the lines
You want the double cut through to wet, invade and
slide
You slide and I'm awake and I'm the slave tonight

You lie, you lie to spare my life
You needed it, he tasted you inside out

Say it, your joy, your joy is my low
- So you want yourself to stop
Said, your joy, your joy is my low
- And when you can't, ?

Say it, your joy, your joy is my low
- So you want yourself to stop
Said, your joy, your joy is my low
Your joy is my low

- Want yourself to stop

So, your joy, your joy is my low
- So you want yourself to stop
Said, your joy, your joy is my low
- And when you can't, ?

Say it, your joy, your joy is my low
- So you want yourself to stop

Said, your joy, your joy is my low
Your joy is my low
