Visit "[An I For An I](#)" on MotoLyrics.com

You owe it to the willing souls,
To the white light.
Double bluff and figure:
An Eye for an Eye.

We go into the TV,
To the motherland smile,
Apocalypse and rapture psyche in:
An Eye For An Eye.

If you're not with us you're a ghost.
An Eye for an Eye.

We owe it to disaster.
To the black fire.
The anger and enclosure of desire.
An Eye for an Eye.

We owe it to the sex toys,
To the icons of our time,
Humility and torture in decline:
An Eye for an Eye.

If you're not with us you're a ghost.
An Eye for an Eye.

If you're not with us you're a ghost.
Eye for an Eye.
Eye for an Eye.

We owe it to the TV,
To disaster,
To the motherland smile,
To the willing souls,
To the willing souls,
To the willing souls!
