The least wishes are orders  
Born raised and cornered  
Was kept fed and watered  
They tied me to the radiators

And I was kicked around and locked down  
Left in the cold to self harm  
This is all that I know  
Naked but safe and lifelessly yours

The least wishes are orders  
Born, raised and cornered  
I was kept fed and watered  
They tied me to the radiators

I was kicked around and locked down  
Left in the cold to self harm  
This is all that I know

Naked but safe and lifelessly yours

And keep me fed and keep me watered  
Naked but safe  
Keep me fed and keep me watered  
Naked but safe

And keep me fed and keep me watered  
Naked but safe  
Keep me fed and keep me watered  
Naked but safe

Naked but safe  
Naked but safe  
Naked but safe

Keep me fed, keep me watered  
Keep me fed, keep me watered  
Keep me fed, keep me watered  
Keep me fed, keep me watered
