"Tear Garden"

I saw bright
Open common sense
I do evil things
And evil things return
And I'm praying now
I'm praying for me

You can't hide
I remove from you
Every tiny strength
In everything you do
And I'll kick you down
I'll break you with a tender touch

And then the tears cried
In the tear garden
Will be for life (repeat)

In the west

They have made a plague
We have built the ship
Sailed it to our veins
God forbid (god forbid)
Anything should break that chain

At our route
We can make it through
A biology
A universe of cruelty
Send me home (send me home)
Return me to a lonely world

And then the tears cried
In the tear garden
Will be for life (repeat)
