Said, "Your joy, your joy is my low"

He takes your face and positions it to take your mouth  
You bite, you bite to excite yourself  
He wants the color of you to wear and feel alive  
So you bite and I'm awake and I'm the slave tonight

You lie, you lie to spare my life  
You needed it, he tasted you inside out

Say it, your joy, your joy is my low  
So you want yourself to stop  
So, your joy, your joy is my low  
And when you crack the whip, I crawl again

You shift the play, push the curve to sit between your  
thighs  
It's a sign, it's time to exercise the lines  
You want the double cut through to wet, invade and  
slide  
You slide and I'm awake and I'm the slave tonight  
You lie, you lie to spare my life  
You needed it, he tasted you inside out

Say it, your joy, your joy is my low  
So you want yourself to stop  
Say it, your joy, your joy is my low  
And when you crack the whip, I crawl again

Say it, your joy, your joy is my low  
So you want yourself to stop  
Say it, your joy, your joy is my low  
Your joy is my low

You want yourself to stop

So, your joy, your joy is my low  
So you want yourself to stop  
Say it, your joy, your joy is my low  
When you crack the whip, I crawl again

Say it, your joy, your joy is my low

So you want yourself to stop  
Say it, your joy, your joy is my low  
Your joy is my low
