Jesus met the woman at the well
Jesus met the woman at the well
Jesus met the woman at the well
And He told her everything that she'd done.

Well he said, "Woman, where is your husband?"
Well he said, "Woman, where is your husband?"
Well he said, "Woman, where is your husband?"
She said, "Lord, I have none."

He said, "Woman, you've got five husbands."
He said, "Woman, you've got five husbands."
He said, "Woman, you've got five husbands."
He said, "Woman, you've got five husbands."
"But the one you have now, he's not your own."

But she went running into the city
But she went running into the city
But she went running into the city
The man told me everything I done.
