For each a road
For every man, a religion
Find everybody and rue

Everything and rumble
Forget everything and remember
For everything, a reason
Forgive everybody and remember

For each a road
For every man, a religion
Face everybody and rue

Everything and rumble
Forget everything and remember
For everything, a reason

F.E.A.R

Finding eternity arouses reactions
Freeing excellence affects reality
Fallen empires are ruling
Find earth and reap

Fantastic expectations, amazing revelations
Final execution and resurrection
Free expression as revolution
Finding everything and realizing

You got the fear
You got the fear
You got the fear
You got the fear
You got the fear
