In the year 2525, if man is still alive
If woman can survive they may find...

In the year 3535, ain't gonna need to tell the truth
Tell no lies
Anything you think, do and say
Is in the pill you took today

In the year 4545, ain't gonna need teeth
Won't need your eyes
You won't find a thing to chew
Nobody's gonna look at you

In the year 5555, your arms are hanging limp at your
sides
Your legs got nothing to do
Some machine's doin' that for you

In the year 6565, ain't gonna need no husband
Won't need no wife
You'll pick your son, pick your daughter too
From the bottom of a long glass tube

In the year 7510, if God is coming, should have made it
by then
Maybe he will look around himself and say
Guess it's time for judgement day

In the year 8510, God is gonna shake his mighty head
He'll even say I'm pleased where man has been
I'll tear it down and start again

In the year 9595, I'm kinda wondering if man is gonna
be alive
He's taken everything this old Earth can give,
and he ain't put back nothing

Now it's been 10,000 years
Man has cried a billion tears
For what he never knew
Now man's reign is through

But through eternal night
The twinkling of starlight
So very far away,
Maybe it's only yesterday...
