All day I dream and shine and dreams
I dream above skylines
Angels divine illuminate
Delivering a sign of heavens gate

All day I dream and shine
And dreams I dream above skylines
Angels divine illuminate
Delivering a sign I'm on my way

Just like you I got to be on my way
Like everybody else, unique and we're the same
Just like you in the breeze of a windswept day
Sunshine on my mind rain upon my face
Just like you I'm living for today

All day I dream and shine
And dreams I dream above skylines
Angels divine illuminate anekatips.com
Delivering a sign of heavens gate

Just like you I got to be on my way
Like everybody else, unique and we're the same
Just like you in the breeze of a windswept day
Sunshine on my mind rain upon my face
Just like you I'm living for today

Just like you, the dawn of a brand new day
The banging of the drums let the music play
Just like you feel the peace on a Christmas Day
Happy to receive whatever comes my way
Just like you I'm living for today
