(feat. Unkle F)

I am the lightning, I am the heat
I am the rain.. rain, oh rain, oh rain, all day
I am the rain..
I'm gonna reign this way again
I am the rain..

I am the spy, before the blade
I am the raindrop out I see
I cause the ripples that become the crashing waves..

I am the rain.. rain, oh rain, oh rain, all day
I am the rain..

[x2]

You thought a different day had come
A day you thought the Earth was done
And if you could have said it all
I know you would have said it all

I am the rain..
I'm gonna reign this way again
I am the rain.. rain, oh rain, oh rain, all day

You thought a different day had come
A day you thought the Earth was done
I am the rain..

And if you could have said it all
I know you would have said it all
I am the rain..
