You I have found, I hope you'll always be around
And though nothing lasts forever, say you'll always be
my pleasure
You I have found, I hope you'll always be around
And if everything lasts forever, say you'll always be my
pleasure

I feel fantastic, you make me feel majestic
You're sweet fantastic
Your love is hypnotizing
Your love is mesmerizing me

Deep in my heart, I'm going right back to the start
And if everything lasts forever, say you'll always be my
pleasure
What ever you turn your hand to, where ever you follow
your heart
When ever you turn the heat on, kick start to my heart

I feel fantastic, you make me feel majestic
You're sweet fantastic
Your love is hypnotizing
Your love is mesmerizing me

I feel fantastic, you make me feel majestic
You're sweet fantastic
Your love is hypnotizing
Your love is mesmerizing me
