Wars and Famine  
Plagues and pestilence  
There is an answer to be found  
If all that's meant to be was meant to be  
I know the world is upside down  
I know the world is upside down  
I know the world is upside down

A desert rose cascading waterfalls  
The sands of time will blow my mind  
The real wealth to hold is with your health  
You were beside me all around  
I know the world is upside down  
I know the world is upside down

Seven percent own eighty four percent  
Of all the wealth on earth  
Oil is the spice to make a man  
Forget man's wealth  
Right here on earth  
Upon this turf  
Earth is spinning round  
I know the world is upside down \*\*\*\*(This line )\*\*\*\*\*  
Is upside down
