Am I a -
Ghost to you?

Here in this prison
You talk but they don't listen
Since everybody knows my name
I was looking for something
Didn't see this coming
Didn't know the rules of the game

I scream at the top of my lungs -
Can't you hear me?
Am I a ghost to you?
I bleed but you don't spot the blood -
Can't you see me?
Am I a ghost to you?

Here on the fast track
No regrets, no turning back
Guess it's just a price I must pay

I scream at the top of my lungs -
Can't you hear me?
Am I a ghost to you?
I bleed but you don't spot the blood -
Can't you see me?
Am I a ghost to you?
I scream at the top of my lungs -
Can't you hear me?
Am I a ghost to you?
I bleed but you don't spot the blood -
Can't you see me?
Am I a ghost to you?

I never really slipped away
I won't take the blame
It's in your eyes only that I'm not the same

I scream at the top of my lungs -
Can't you hear me?
Am I a ghost to you?
I bleed but you don't spot the blood -

Can't you see me?
Am I a ghost to you?
