Vestal Virginia, ain't got a bad thought in you  
You're a bastard  
Mean as a killer, instinct that's within you  
You're a bastard

Laughs like a drain and it messes up my brain  
'Cos you know I like the pain of never knowing  
Space cow I'll chew the bad blood running through ya  
Kiss you as you hit the floor 'cos you don't even know  
That you're a bastard

There's a crisis in the kitchen but that don't stop you  
bitchin'  
You're a bastard  
You got that Yellowjacket touch with the stings that hurt  
so much  
You're such a bastard

Flirting in the shadows, aiming all those little arrows,  
You're as shallow as the gallows you got me in to, yeah  
Voodoo dolls gonna line the room, handcuffs glinting  
in the gloom  
One day you'll find that hidden door inside everyone  
screams  
That you're a bastard, you're such a

[Incomprehensible]

You twist me 'til I'm lame then you spin the coin again  
You're such a bastard  
You're naturally perverse, you ain't even gotta  
rehearse  
You're such a bastard

Fly like a witch, without running in some pitch  
Why don't you break the switch that takes me over?  
My prison is your brain, your prisoner's insane  
You got all the keys, you can break the chains  
But you don't even take the blame, you bastard

(Bastard, bastard)  
I'm enjoying that lately

You know just the beginnings  
(Bastard)

The agony and the ecstasy meeting at the middle of  
my mouth  
The agony and the ecstasy can't spit it out,  
[Incomprehensible]  
Sometimes on a rainy day I draw you to hope for love  
(Bastard)
