Oh!!

Well I climbed through the fence, out with the (? ), head  
for the river plate(? ).

The river's not tame, heat in the city meant dogs can't  
smell the same.

Don't wait up, I'll be home soon, but I can't come now  
cos i'm

Dancing on the (dancing, dancing) moon, yeah.  
(dancing, dancing....)

I crawl like a snake, seen a better daybreak, I sleep  
when I'm wide awake.

All my body's achin', I know they're tryin' to break me,  
but that's a chance i

Gotta take.

Oh, don't wait up, I'll be home soon, but I can't come  
now cos i'm

Dancing, dancing, dancing (dancing on the moon)  
dancing, dancing, dancing on

The moon

All right.

I'm outside a memphis, my motors little danger(? ) she  
gives me

Pharmaceuticals

Knowin' my friends, they help me beat the hangman,  
they know I'm innocent

Well that's all right, I'll be home soon, but I can't come  
now cos i'm

Dancing, dancing (dancing, dancing) on the moon  
(dancing, dancing on the moon) .

I can see your house in between the trees

I can feel your body shakin' in between my knees.

You know it feels so low, I come so far

I always love to have some fire on me

You're looking so good

Well I got me a room, can't say where it is, you can  
guess the address

Well I need some money, need it in a special place, not  
try the weaknesses(? )

Wake up (? ) , nursin' my wounds, I told you I was  
comin, I was comin' home soon. yeah.

(want you, want you, want you, want you right away, )  
((to fade))
