(verse) everybody says that the girl from the office, is the best looking girl they've ever seen. everybody smiles at the girl from the office as she walks across the factory floor. everybody says that the girl from the office is a little stand offish when they talk to her. everybody thinks that the girl ferom th office isn't keen on hanging round with the boys from work....oh what a hero i would be if the girl from the office went out with me.....(chorus)what's she like (what's she like). what's she like(what's she like). what's she like(what's she like). everybody said. what's she like(what's she like) what's she like (what's she like) what's she like (what's she like) what's she like in bed...(verse) nobody knows where the girl from the office goes in her spare time but i found out. she visits the sabrina dancing academy, i've just got my membership card filled out.. oh what a hero i would be if the girl from the office went out with me.. (chorus).... everybody knows thier lives are going nowhere, everybody dreams and she's a breath of fresh air, everybody'eyes are gazing at the software, yeah yeah yeah, yeah yeah yeah, yeah yeah yeah... (verse)..everybody says that the girl from the office is the best looking girl they've ever seen, everybody smiles at the girl from the office as she fetches me a coffee from the staff canteen... now i'm the hero of the factory, mister popularity, but i feel bad 'cos she's so sweet and i'm sick of everybody asking me.....(chorus).....everyones in love with the girl from the office.
