Oh no
We've been had again

We had a seed
A beautiful seed
It was planted by thieves
We never saw leaves

Dropped on a soil
A beautiful soil
But they weren't wearing boots
We never grew roots

Oh no
We've been had again
Oh no
We've been had again

Beauty was bred
And vanity lost
But the beauty was dead
Before we saw frost

Well fools never learn
That innocent burn
But we didn't expect
What we couldn't detect

Oh no
We've been had again
Oh no
We've been had again

Among mortals
The second thoughts are always wisest
And everyone is wiser than anyone
But then again we could have been regretfully yours

Regretfully yours

Oh no
We've been had again

Oh no
We've been had again

We had a seed
A beautiful seed
