Red letter day
Red letter day
Red letter day

Late at night, I drift away somewhere
I'm walking on the moon, talking to you there
I miss you babe, oh, I miss you
In my empty room on a crowded avenue
Oh, I've been rolling down the river, girl and I bump into
you
I miss you babe, oh, I miss you

When I come home, the love is gonna last forever
'Cause deep in my heart, the loving never went away
When I come home, the love is gonna last forever
It's gonna be a red letter day
It's gonna be a red letter day
It's gonna be a red letter day, oh

Why, oh why, oh why can't we see eye to eye
All we do is argue and the years go rolling by
How on earth could it be worth such a sacrifice
All we got's each other and I'm lonely in this life
'Cause I miss you girl, oh, I miss you

When I come home, the love is gonna last forever
'Cause deep in my heart, it never really went away
When I come home, the love is gonna last forever
It's gonna be a red letter day
It's gonna be a red letter day
It's gonna be a red letter day, oh
It's gonna be a red letter day
It's gonna be a red letter day
Gonna be a red letter day, oh

When I come home, the love is gonna last forever
'Cause deep in my heart, the loving never went away
When I come home, the love is gonna last forever
It's gonna be a red letter day
A red letter day, a red letter day, a red letter day
A red letter day, a red letter day, a red letter day, a red
letter day

The love is gonna last forever
'Cause deep in my heart, the loving never went away
When I come home

Oh, leave your light on 'cause I've waited so long
Why don't you leave your light on 'cause I've waited so
long
You better leave your light on

When I come home the love is gonna last forever
'Cause deep in my heart, the loving never went away
