Ohh
Doctor, doctor, am I alright?
I keep on stayin' up, all through the night
I'm smokin', drinkin', watchin' TV 'til the light

It's been a long time since I slept
All I seem to think about is what I ain't get
I'm seein' double, I'm seein' double

Doctor, doctor, you know I'm in need
Seems like there's somethin' wrong with me
Underneath this stone lies a different guy

My head says yeah, my body says no
I can't seem to get up, I can't seem to go
Seein' double, I'm seein' double
Ohh, seein' double, I'm seein' double

In the middle of my life
It's just a little strange
All those people they're alright
If they'd stop messin' with my brain, ohh

I remember when the world was new
Doctor, doctor, what would you do?
I'm tired of runnin', give me somethin' slow down

Ain't been to bed in over a week
I can't catch up on sleep, it's playin' hide 'n' seek
I'm seein' double, I'm seein' double
Ohh, I've got trouble
I'm seein' double

Ohh, I'm seein' double
