It's such a small town rodeo
Such famous people here with nowhere to go
Well, it don't get to me, I think it's the pits
I got no friends, I wanna split

The daily papers seek a desperate face
The television cameras join in the chase
It's much fun interviewing urban decay
I grab the microphone away

(Dance)
No
(Dance)
No

(Dance)
No
(Dance)
No

We gotta get out of here
We gotta get out of here right now
We gotta get out of here
We gotta get out of here right now

Hey rock and roll, feel the holes in my brain
I promise you I'll never come here again
It's all so sad, what a waste of a night
'Cause nothing's wrong but nothing's right
(Hey)

So don't get along, out of my way
I'm not a robot, I've got something to say
It's such a joke, are you ready to go
Here comes that beat again, oh oh, oh oh

(Dance)
No
(Dance)
No

(Dance)

No
(Dance)
No

We gotta get out of here
We gotta get out of here right now
We gotta get out of here
We gotta get out of here right now

We gotta get out of, we gotta get out
We gotta get out of here right now
We gotta get out of, we gotta get out
We gotta get out of here right now

We gotta get out of here
We gotta get out of here right now
We gotta get out of here
We gotta get out of here right now

We gotta get out of, we gotta get out
We gotta get out of here right now
We gotta get out of, we gotta get out
We gotta get out of here right now
(Oh please I don't wanna go home yet)

Come on, can't you do anything I wanna do?
Let's dance, come on please, just once for me
I never get to do anything like this
You're such a drag, you know that?

Everything for you, everything for you, nothing for me,
right
What are we gonna do? Go home and watch the super
bowl
Re-runs of the Mohammad Ali uh Marlene Dietrich fight,
what?
There must be somebody here who wants to dance with
me

There must be a lot of people here who would like to
dance with me
You know that?
Come on, one, two, three, four, I'll jump right up and do
the bump
[Unverified], come on

Listen, this place gets really good, this place gets
really
I heard that the that the the spoon comes down
And the moon comes down and the stars
And all sorts of great stuff happens in a little while
