Wild 'n free, wild 'n free  
Wild 'n free, wild 'n free

Oh, I'd never known what it was like to free  
I always thought it was never true  
I got a feeling, I was lost in space  
Did not like my face

Just wanted to be

Wild 'n free, wild 'n free  
Like a hurricane  
Wild 'n free, wild 'n free  
Oh, insanity's so insane

Wild 'n free, wild 'n free  
I ain't got no, got no, got no name  
Wild 'n free, wild 'n free  
Don't want no ball and chain

Damn people telling me that I was thinking bad  
Had me believing they was right  
All they wanted was another slob  
In some stinking job that just ain't me

I just want to be

Wild 'n free, wild 'n free  
Like a hurricane  
Wild 'n free, wild 'n free  
Oh, insanity's so in, so insane

Wild 'n free, wild 'n free  
I ain't got no name  
Wild 'n free, wild 'n free  
I don't, I don't want to know a ball and chain

Just then I found out I was too broke to get out  
So I took to the road no one was having me  
I said don't want no handouts  
'Cause I'm making out, you ain't like me

I just want to be

Uh, uh, uh, wild 'n free

I tried to tell you, babe, but you never understood  
I always tried to make you see  
But you believed just what your old man said  
He had you chained to his head and it's on TV, TV, TV,  
TV

Want to be, want to be, want to be

Wild 'n free, wild 'n free  
Like a hurricane  
Wild 'n free, wild 'n free  
Oh, insanity's so insane

Wild 'n free, wild 'n free  
I ain't got no, got no, got no name  
Wild 'n free, wild 'n free  
Don't want no ball and chain

Wild 'n free, wild 'n free  
Just like a ball, a ball, a ball of fire  
Wild 'n free, wild 'n free  
Like it high, it's getting higher

Wild 'n free, wild 'n free  
Like some bolt from out the sky  
Wild 'n free, wild 'n free  
Like some bullet, say goodbye
