Well, through the haze the mirror cries
Hits you right between the eyes
You don't know but you got the judas in you, babe

You can't trust, ya, you can't deliver
Always whinin' you were sold down the river
I gave you the best years of your miserable life

Where did you go wrong girl?
Where did you go wrong? I say
Where did you go wrong, girl?

Nice try, wrong guy
You're gonna wind up on your ass
You should have listened to your women's intuition, oh
You should have listened to your women's intuition, oh
You should have listened to your women's intuition, oh
You should have listened to your women's intuition, oh

You can't come, you can't hide
But something messed you up inside
Don't blame me, ain't my fault
If you're dazed and confused

You're a lie, you're a television
Tryin' to drag it down into your prison
I had enough o'sleepin' rough
I'm through with you, babe

Where did you go wrong, babe?
Where did you go wrong? I say
Where did you go wrong, girl?

Nice try, goodbye
You're gonna wind up on your ass
You should have listened to your women's intuition, oh
You should have listened to your women's intuition, oh,
oh, oh, oh
You should have listened to your women's intuition, oh
You should have listened to your women's intuition, oh

Yes, we're tarred by the same old feathers

I guess we got to stick together
I'm warning you don't ever invade my destiny

It's bad enough but I ain't normal, but tryin't make
myself formal
What I need, what I mean
Don't mean nothing to [Incomprehensible] you

Where did you go wrong, girl?
Where did you go wrong?
Where did you go wrong, girl?

Dumb moves, no class
You're gonna wind up on your ass
You should have listened to your women's intuition, oh
You should have listened to your women's intuition, oh
You should have listened to your women's intuition, oh
You should have listened to your women's intuition, oh

You should have listened to your women's intuition, oh
You should have listened to your women's intuition, oh
You should have listened to your women's intuition, oh
You should have listened to your women's intuition, oh
You should have listened to your women's intuition, oh
