The days are okay  
I watch the TV in the afternoon  
If I get lonely  
The sound of other voices  
Other rooms are near to me  
I'm not afraid  
The operator  
She tells the time  
It's good for a laugh  
There's always radio  
And for a dime I can talk to God  
Dial-a-prayer  
Are you there?  
Do you care?  
Are you there?  
And in the winter extra blankets for the cold  
Fix the heater, getting old  
I am wiser now, I know, but still as big a fool  
Concerning you  
I met your friend  
She's very nice what can I say?

It was an accident  
I never dreamed we'd meet again this way  
You're looking well  
I'm not afraid  
You have a lovely home  
Just like a picture  
No, I live alone  
I found it easier  
You must remember how I never liked  
The party life  
Up all night  
Lovely wife  
You have a lovely wife  
And in the winter extra blankets for the cold  
Fix the heater, getting old  
You are with her now, I know  
I'll live alone forever  
Not together now
