I want to lie by your side  
and watch the tide run over  
Lay your head upon my shoulder  
I want to lie by the bed  
and send my head out reeling  
Honey, lay this feeling down  
I'm ready to ride

(chorus)  
Sweet sympathy, won't you  
pity me tonight?  
Yes I got to hurry  
to the surry  
get the saddle on tight  
Honey won't you let me?  
Honey just allow me  
Honey, won't you pleasure me right?  
Sweet sympathy, won't you  
carry me tonight?

I want to lay myself down  
and take a sweet, soft shelter  
Still my waters here forever

I want to lay my body down  
I want to lay my body down  
Honey, lay me lightly down  
I'm ready to ride

Can we get together  
Can we get together  
Can we get together right now?  
Well, you give me the music  
and you know how to use it  
Drive me out of my shoes

I got the blues tonight  
I've got sweet titillation  
Honey, won't you pleasure me right?  
Sweet sympathy won't you  
carry me tonight?

(chorus)
