Power, well you hit them harder
Hatred, conceal the martyr
Big time but you wanted bigger
You own damn flesh
And now they play the nigger

Yeah, yeah, yeah, yeah
I'd like to take my time
And watch them nail
You to the tracks

Vengeance running through my veins
I'd like to crush all your wicked ways
My heart is true with my fellow man
I know these things that you will never understand

Yeah, yeah, yeah, yeah
I'd like to take my time
And watch them nail
You to the tracks

Suffer for the sacrifice
The moment when you lost your sight
I hear that train a-coming

Power, well you hit them harder
Hatred, conceal the martyr
Big time but you wanted bigger
You own damn flesh
And now they play the nigger

Yeah, yeah, yeah, yeah
I like to take my time
And watch them nail
You to the tracks

Suffer for the sacrifice
The moment when you lost your sight
I hear that train a-coming
I hear that train a-coming
I hear that train a-coming
I hear that train a-coming

Hit it now
