The sun is sinking away from me
And it leaves me in a silent way
With it it takes all remains of the day
And I feel like you'll be gone

Loneliness fell from the moon tonight
Beneath a vacant blanket of sky
And shined its lonely beams as if crying
And I feel like you'll be gone
And I feel like you'll be gone

The sky is a thief with no sympathy
And it rips the life from my eyes
The air is still, oh, no stars
And I feel like you'll be gone
And I feel like you'll be gone

The sun is sinking away from me
And it leaves me in a silent wave
It takes all remains, remains of the day
And I feel like you'll be gone

And I feel like you'll be gone
And I feel like you'll be gone
And I feel like you'll be gone

Oh, don't leave me, baby
Don't leave me, baby
Ooh, don't leave me, baby
Don't leave me, baby

Don't let the sun, don't let the sun
Don't let the sun go sinking
Oh, you'll be gone
