[Verse]

In a momentary lapse of reason  
Toleration was something unknown  
And all attempts failed, to stop all the violence  
The outcome was clear [Backing vocal]  
It seemed evolutionary, the dawning a new era came  
A new species was born, a society in Fragmentation  
With separate ways

[Bridge]

Extreme behaviour [Backing vocals]  
Not accepted by all, now it's been rejected

[Chorus]

Only time will tell  
If the sanctity of man prevails, a new era soon is born

[Verse]

In a momentary lapse of reason, men were about to  
destroy  
All the beauty god gave, as the acid in rain started  
pouring down  
So women appoint only women, with a spirit of  
kindness and sense  
In positions of power, to eliminate years of destruction  
Before it's too late

[Repeat Bridge]

[Chorus]

Only time will tell  
If the sanctity of man prevails  
A new era soon is coming, the birth of a brand new way

[Spoken part:] Un punto di non ritorno,  
La natura aggressiva dell'uomo non puo' piu' essere  
tollerata, una nuova era sta iniziando.

[Ad-libs:]

Only time, only time will tell, there's a brand new day  
A new day's dawning [Backing vocals]  
Only time will tell, there's a brand new
