[Spoken part:]

Erstickend an der eigenen Schuld und I'm Hass  
gegenÃ¼ber ihres Gleichen  
Ertrinkend war Trennung die einzige MÃ¶glichkeit um  
zu Ã¼berleben. Eine  
Alternative bestand nur in der gegenseitigen  
Vernichtung ohne eine einzige  
Spur zu hinterlassen. In frÃ¼herer Zeit Aggressor, jetzt  
Opfer ihrer eigenen  
SchÃ¶pfung, liessen die Monomales ihre einstigen  
LÃ¤ndereien hinter sich -  
Fliehend in das Ungewisse. Die Wildniss wurde zu  
ihrem Versteck. Ironischer  
Weise wurde nun der JÃ¤ger zum Gejagten.

[Intro:]

The conscious mind, can asphyxiate  
Under pressure, slowly forming

[Verse]

The hardest times have passed, the human race took  
asylum  
Asylum from eachother, man can't live with man  
Woman have achieved, global domination  
It's a lonely place for many in this feministic world

[Bridge]

See the light that shining, there the people say a prayer  
for all  
There's a new way forward

[Chorus]

Oh! can it ever be the same  
As it was, long ago in a time before  
And oh! Many things have changed, still there's hope  
That they'll come back together once again

[Verse]

Like animals they hide, in total isolation  
Agression, greed and ignorance... all to blame  
An asphyxia of kinds, a mental suffocation  
The hunter now the hunted, but inside the brain

[Repeat Bridge & Chorus]

[Middle-8:]

Hope, that this cloud

Which is shadowing all of them, will disappear
