[Verse]

Ever felt a breeze, cold
Running down your spine
Not a single soul, in sight
Then someone's spirit is walking, over your grave

[Bridge]

D' you really care, no time to spare, to help along
Don't judge me wrong, I belong
As a Humanitarian

[Chorus]

Fools, can't be told
What to do, they learn the hard way
Only fools, won't be shown, what's the use
They learn the hard way.

[Verse]

Please, go away, don't bother me I'm working
When I can find, the time
If you just wait a while longer
A few years, then I'll help

[Bridge]

You roam around, wasting time
And never think twice
Make up your mind, step in line
Humanitarian

[Repeat Chorus]

[Outro:]

Fool's can't be shown [repeat]
