[Verse]

A simple explanation
Can often clear the doubt
Which some of us can feel
Should we let, sleeping dogs lie

Inside the mind exists
A fragile breeding place, for ignorance and fear
Which shelters the shame

[Bridge]

No-one, person is ever the same
No-one, person is ever to blame

[Chorus]

[Backing vocal] Slowly, slowly
No matter what the cost, secrets exposed
Slowly, slowly
A pandora's box, is harder to close

[Verse]

The evil that men do, the hidden secrets
Aren't they better left alone
So why, prolong the pain

[Repeat Bridge & Chorus]

[Middle-8:]

Don't search any deeper
If pandora has wings... then there's no turning back

[Solo]

[Repeat Chorus]
