[Verse]

Like the snake  
You crawled around  
Now nobody likes you  
Constantly sneakin' about

[Bridge]

Where is it written  
Be cruel to be kind

[Chorus]

Don't pity, don't you pity me  
Not a single friend in sight  
No pity please, luck is running out  
They're all to blame

[Verse]

So much hate  
You've wondered why  
Such an obvious answer  
The friends that you had, you'd buy

[Repeat Bridge & Chorus]

[Bridge]

Your skin keeps on changing  
You think like the snake

[Solo]

[Repeat Chorus]

[Ad-libs:]

They're all to blame... it isn't me
