Oh oh darin darong dom, baby(4x)

I close my eyes
I tell you how much I care
Then you smile and say to me
Let me be your destiny

Oh oh darin darong dom, baby(4x)

I close my eyes
I'll never let you go...

I close my eyes
Baby don't you understand?
Anything you ask me to
I'll do everything for you

Oh oh darin darong dom, baby(4x)

I'll never
I'll never
I'll never let you go...
I'll never
I'll never
I'll never let you go...

Oh oh darin darong dom, baby(2x)

I close my eyes
I'll never let you go...

I close my eyes
I'll never let you go away...
