Four strong winds that blow lonely  
Seven seas that run high  
All those things that don't change come what may  
Our good times are all gone  
I'm bound for movin' on  
I'll look for you if I'm ever back this way

Think I'll go out to Alberta  
Weather's good there in the Fall  
Got some friends that I can go to workin' for  
Still I wish you'd change your mind  
If I asked you one more time  
But we've been thru that a hundred times or more

Four strong winds that blow lonely  
Seven seas that run high  
All those things that don't change come what may  
Our good times are all gone  
I'm bound for movin' on  
I'll look for you if I'm ever back this way

If I get there before the snow flies  
If things are looking good  
You could meet me if I send you down the fare  
But by then it will be winter  
Not enough for you to do  
And the winds sure blows cold way out there

Four strong winds that blow lonely  
Seven seas that run high  
All those things that don't change come what may  
Our good times are all gone  
I'm bound for movin' on  
I'll look for you if I'm ever back this way  
I'll look for you if I'm ever back this way
